PREMIER COWORKING SPACE, OFFICESLICE, TO HOST ENTREPRENEUR OF THE YEAR CONTEST FOR WOMEN-OWNED BUSINESSES IN THE SAN FERNANDO VALLEY

Sherman Oaks, CA (March 27th, 2014) – On April 1st, OfficeSlice will be introducing a Woman Entrepreneur of the Year Contest to celebrate the success of women-owned businesses in the San Fernando Valley. The winner of the contest will be recognized at OfficeSlice’s National Girlfriends Networking Day on June 4th 2014, and will be awarded a one-day Spa Package.

Self-submissions and nominations for the Woman Entrepreneur of the Year Contest will be accepted at OfficeSlice via email from April 1st through the 30th. Six finalists will be chosen amongst the submissions and voted on through a Woobox contest on OfficeSlice’s Facebook page. Women entrepreneurs over the age of 40, whose businesses are located in the San Fernando Valley and have been established for at least one full year, looking to increase awareness and recognition for their business, should apply.

This is OfficeSlice’s first contest honoring the women entrepreneurs of the community. Founder and Community Director, Judy Santos, explains “we have always prided ourselves on being a resource and support hub for women entrepreneurs, creating this contest is a natural extension of that.” National Girlfriends Networking Day, a nationwide celebration of the power of building connections, is the ideal event for OfficeSlice to announce its winner. Join thousands of women around the country by attending interactive, networking events. The event will feature a panel of renowned, diverse women leaders discussing how to plan your career path, and then taking questions via social media from nationwide participants.

For more information on contest rules and to apply contact Judy Santos at info@officeslicecoworking.com or check out the [OfficeSlice Facebook](#) contest page.
